

Obviously, Sinclair  
is run by  
republicans, who  
have a very specific  
interest in keeping  
the current  
administration.  
Please do not let  
them hurt democracy  
by letting them  
force 62 TV stations  
air an anti-Kerry  
advertisement. The  
rich should not be  
in power just  
because they are  
rich.
